P. J. Athar N 311

This Passport, certifies that Manuel Roachin aged 42 years & about 5^{ft} 4 inches high, dark complexion and Manuel de Carano aged 23 years & dark complexion, both belonging to Faro in Portugal, were brought to this Country from Faro, as seamen on board the Vessel Emperor of Sunderland, Captain Hodgson, under agreement (sanctioned by the Consul at Faro) that Captain Hodgson should send them back to Portugal. Captain Hodgson has therefore agreed with Captain Marian Landry of the Emperor of Archet to take them to Oporto as passengers on board of his vessel bound to that port.
