

3rd Windsor Castle

No stranger approaches here while I command.

CORDÃO SANITARIO.

2nd Madeira

I am on life and Death.

No stranger while he commands, I thought as much, then virtue and honour tum back.

He cannot surely call me a stranger.

My god! how much like my dear daughter! why dont they see her, I am able to see her why not see her and give her a kiss.

Another tack will bring me up and I will have no back heads.
