

-
- Technical drawing of a reinforced concrete slab with a top layer of wear (camada de desgaste) and a bottom layer of reinforced concrete (laje de concreto armado). The drawing shows a cross-section and a plan view. The cross-section shows a total thickness of 0.13, with a 0.10 layer of concrete and a 0.03 layer of wear. A circular hole with a diameter of 10 mm is shown in the concrete layer. The plan view shows a U-shaped reinforcement bar with a diameter of 10 mm and a spacing of 0.10. The wear layer has a thickness of 0.02 and a width of 0.10.
